Rotary Update from President Kim

Hello Rotarians! You probably know the Plaza Restaurant is not open this month and we also want to be sure to keep safety first so we will continue to have our Rotary meetings online via Zoom. Please remember, you can call in and listen to our meetings from your phone or you can click the link from your cell phone or computer and see the meetings online. It's so great to see our Rotary Family faces and catch up!!! We've been starting 15 minutes early so we can visit for a while prior to the beginning of the program.

Your Rotary Board has been busy. We've reviewed the Club Bylaws and will share those with you when we are together, the pandemic has given us time to look at what we do as a Club and consider ideas to grow our Club so we can continue to be the best ever Rotary Club. Although all of our programs and projects have been cancelled we are hoping to be able to gather together in June and give an update on the Rotary year. We have accomplished many wonderful things both near and far and I'm looking forward to sharing that recap with you all when we can meet together again. In short, I'm working on 'year end' reports and awards and President-Elect John

Brown is gearing up for his year to begin July 1!

Please reach out to your Rotary friends and Stay Safe!

This week our program will share the challenges of education during a pandemic and insights for education in the next year

Dr. Andy Sheppard, President of Thomas University and Dr. Randy Watts, Headmaster at Brookwood will share some of the challenges they have faced during the Covid 19 outbreak. They will also share insights about what to expect in education in the coming year. Be sure to tune in to hear about this program.

ShelterBox: 20 Years of Disaster Relief

Thank you to Bill Tobin, Rotary Relations Manager, for a wonderful program on ShelterBox USA Bill began as a volunteer for ShelterBox after the 2010 earthquake in Haiti. Since then Bill has shared the ShelterBox story to thousands of Rotarians, organized fundraisers and awareness events for ShelterBox USA and helped lead the team of USA Ambassadors in raising over 1.4 million dollars for ShelterBox in 2017. For his volunteer efforts with ShelterBox USA, Bill has received the United States Presidential Volunteer Service Award seven times.

Here are some additional resources for you and your members, I highly recommend the family activity page while we're all 'sheltering in place'.
