In Rotary, the theme for the month of September is Basic Education and Literacy, one of the six areas of focus.

More than 775 million people over the age of 15 are illiterate.

Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy. We support education for all children and literacy for children and adults.

This Week Program!

On October 19, 1890, The Salvation Army began its work in Georgia - by proclaiming the Gospel on Atlanta's city streets. Its "grand opening" was a small but significant affair, beginning with the open-air evangelistic service on the street corner and proceeding to a meeting in their newly rented assembly room.

The Salvation Army in Atlanta grew slowly, and by the end of January 1891, the Army had enlisted 30 soldiers. On April 12, 1891, the second official Corps opened in Georgia - in Augusta.

By 1895, the mission was again gaining ground. Columbus opened in 1895, Rome in 1897, Macon in 1899 and Brunswick and Savannah in 1900. Other cities followed. In the years to come, many Corps would flourish. Atlanta's central location and economic strength
