

President's Message, August 4, 2026

Submitted by President Dan Jenkins

I am excited for next Tuesday's meeting that will shine a light on the kind of impact Rotary is uniquely positioned to make around the world.

We will be joined by two distinguished members of the Rotary Club of North Atlanta, who will share updates on the Global Grant we are helping sponsor in Ethiopia—an effort focused on cost-effectively preventing spina bifida and related birth defects in high-risk pregnancies.

A box of 100 high-dose folic acid tablets costs only about sixty cents in Ethiopia, yet this simple intervention can change the trajectory of a family forever. In partnership with the Rotary Club of Addis Ababa Central Mella, these tablets are reaching mothers who have previously experienced a pregnancy affected by these largely preventable defects.

The program is on track to reach 3,500 mothers in its fourth year, but sustaining momentum through year five—and expanding to reach even more families—depends on us. I hope you'll join us Tuesday as we learn how our club's support is saving lives and how we can continue strengthening this remarkable project.

Come at 11:45 to mix and mingle before our meeting at 12:00 pm. See you at Brimstone!

North Fulton Rotary July 28, 2026 Meeting Recap

Our meeting on Tuesday, July 28, was a welcome home of sorts for a couple of our members! Several members had Happy Dollars to share, including **Steve Cory**, who recently returned from celebrating his birthday with a memorable Route 66 adventure, and **President Dan Jenkins**, who shared highlights from a trip around Ireland with his siblings and their spouses.

We were also delighted to officially welcome **Chris Lyboldt** (sponsored by **Mark Hutchins** and **Cliff Wilcox**) as the newest member of the Rotary Club of North Fulton. We look forward to serving alongside Chris and know that his involvement will help strengthen our club as we continue to expand our service and increase our impact in the community.

The day's program focused on one of Rotary's signature initiatives—Rotary Youth Exchange (RYE). We are fortunate to have our own **Bob MacDonald** serving as the Rotary Youth Exchange Chair for District 6900. Bob was joined by special guest Brian Navorro-McClean, a Youth Exchange student who recently returned from spending the school year in Taiwan.

Sponsored by the Rotary Club of East Cobb, Brian shared stories from his incredible experience living with three different host families in both rural and urban communities. Beyond the travel itself, he reflected on the personal growth and valuable life lessons he gained through immersing himself in another culture.

Bob complemented Brian's presentation with an overview of the Rotary Youth Exchange program and its long history within Rotary International. Through the program, students learn a new language, experience another culture firsthand, overcome academic and personal challenges, and develop into true global citizens.

Thank you, Bob, for sharing the impact of Rotary Youth Exchange and for your dedicated service to District 6900. We also appreciate Brian for inspiring us with his experiences and demonstrating the life-changing opportunities Rotary makes possible.

Service Opportunity: CDA Treasure Hunt

Join North Fulton Rotarians for a morning with PreK students

We invite club members to take part in a warm, hands-on service activity at Children's Development Academy. Our Annual Treasure Hunt is set for September 15th, running from 10 am to 12 pm.

During the event, Rotarians will "hide" treasures on the playgrounds and then assist PreK students in locating them as needed. The activity is designed to be fun, engaging, and supportive for the children.

After the Treasure Hunts conclude, we will join the students for lunch. This is a great opportunity to spend informal time with the children and staff and to share a pleasant meal together.

If you are able to participate, please come ready to help on the playground and to enjoy lunch with the students. We look forward to seeing North Fulton Rotarians at the Children's Development Academy for this annual service tradition.

To participate, please sign up on this link (to complete the CDA waivers): [Treasure Hunt](#)
