President's Message, October 6, 2026

Submitted by President Dan Jenkins

We have a great program lined up for our next meeting on Tuesday, October 13th!

Our guest speaker will be Paul A. Zanardo, CEO and Founder of Zanardo Dezingz, who will share his personal journey as a successful entrepreneur, his faith, and some practical business tips for building a stronger website and online presence.

Paul is also connected to Rotary through his family - his father is is an Area Governor in Gwinnett County, mentoring Rotary Presidents. Paul recently spoke to another Rotary Club in Gwinnett and is excited to join us here in North Fulton.

This promises to be an engaging, inspiring and very practical program, whether you're a business owner, work for an organization, serve on a nonprofit board, or simply want to learn more about how to effectively use your website and digital presence.

So, mark your calendar for Tuesday, October 13th and plan to join us! Bring a prospective member or a friend who would enjoy the program.

We look forward to welcoming Paul and hearing his story!

North Fulton Supports Roswell Rotary Red Cross Blood Drive

North Fulton is proud to once again partner with the Red Cross Blood Drive hosted by Roswell Rotary on **October 28th at Roswell Junction.** We have also added one of District 6900's newest Rotary Clubs, North Atlanta Professional Alliance (NAPA) to our volunteer efforts! Please see the flyer (thanks to Kathleen and her team for cleaning up the Blood Drive flyer!) for full details about the event.

Why this matters

Since the American Red Cross launched an emergency blood shortage appeal on July 13th, thousands of people have stepped up to help. Unfortunately, donations are still **not** keeping pace with hospital demand. Their inventory of type O blood is especially dire. Right now, they have less than a one-day supply of type O positive blood. **In just the second time in their history, The Red Cross has declared a national blood crisis** and escalated their appeal efforts on Monday, July 27.

How you can help

- If you are healthy and eligible, please consider donating; every donation helps.
- Share the event information with friends, family, and neighbors to encourage broader community participation.
- Refer to the flyer for details on times, eligibility, and any steps needed to participate.

Building More Than a House

Saturday, October 3rd, was a special day of service for the Rotary Club of North Fulton as our members joined **Habitat for Humanity of North Central Georgia** for a First Nail Ceremony and the start of framing on a new home.

Our club is proud to support this Habitat build both financially and with hands-on volunteer service. On Saturday, October 3, our volunteers picked up their hammers and worked alongside the family who will ultimately call this house home.

Having the family there made the day especially meaningful. They worked side-by-side with volunteers and shared their heartfelt gratitude with everyone helping to make their dream of homeownership a reality.

There is something powerful about watching the walls of a home begin to rise — and knowing that behind every nail, board and volunteer hour is a family looking forward to a new chapter.

We are grateful to Habitat for Humanity of North Central Georgia for the opportunity to be part of that journey and proud of our North Fulton Rotarians who continue to put **Service Above Self** into action.

CDA Treasure Hunt Recap

What a great morning our members had at Children’s Development Academy in mid September! Our members helped organize a treasure hunt for the children, bringing plenty of fun and excitement to a special preschool that provides high-quality early education to underserved children in our community. Sometimes service is simply about creating a special experience and a few big smiles!

Let's Score for the Foundation

Football for The Foundation

This year we have 12 members vying for the coveted "Most Generous Foundation Dona via Football Results" award. With 5 weeks of college play, 8 weeks of pro and high school behind us, the results are impressive. The total amount pledged so far is $2,512! The college teams have been particularly high scoring. UGA is in the lead with 257 points and President Dan has pledged $2 per point, bringing his pledge to date to $514! In second place is Bob MacDonald and his Rams at $318 and tied for third is William Bennett and yours truly with our ROLL TIDE! Richard's 5th grade Oconee Warriors and Oconee Flag football were later starting their seasons so expect him to gain steam as the season progresses along with the NFL teams. Thanks to all who are participating and let's hope for a very high scoring season!

Golfing for Respite

Companion Club members, Tom and Stacy Georges, hosted a successful golf tournament to raise funds for their non-profit, Special Needs Respite. Several members of our club turned up to show their support for this worthy cause: Richard Matherly, Steve Cory, Mark Hutchins, Rick Clark and Dan Jenkins.

Fellowship Beyond the Meeting

Some of the strongest Rotary bonds are formed nowhere near a lectern - over coffee before a service project, at a social mixer, or a fundraiser committee call at 9 pm. Look for one none-meeting touchpoint this month. Fellowship is the glue that turns members into friends.

Companion Club

The next meeting of the Companion Club will be on October 15th at 6:30 pm, location TBD.

If you have any questions, please reach out to Joseph Powell, (912) 662-2246.
