Last Week's Program

The Rotary Foundation Month with Kim Walden, Fran Milberg & Ray McKemie

The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world.

During the past 100 years, the Foundation has spent \$3 billion on life-changing, sustainable projects.

With your help, we can make lives better in your community and around the world.

Our mission

The mission of The Rotary Foundation of Rotary International is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

What impact can one donation have?

It can save a life. A child can be protected from polio with as little as 60 cents. Our partners make your donation go even further. For

President Andre' Marria

Why I am a Rotarian?

I am a Rotarian because I believe in the Object of Rotary and the Principles for which it stands. More than that, it provides for me an opportunity to pay it forward. "I can give of my time, talents and resources to those who are less fortunate in this world, providing them a better quality of life. Rotary allows me the opportunity to do good in the world, it keeps me humble and gives me the daily opportunity to practice the greatest commandment of loving my neighbor as myself! I am a Rotarian because through it I can be of useful service to mankind.
